Dear Resident,

We have been approached by the local planners / councilors with regard to a proposed tattoo parlour on the corner of Stanley Road and Stanley Park Road.

We understand that it is proposed to go into the site formerly occupied by the childrens hair salon.

A map of the site is to be found at <http://goo.gl/maps/0NIqL>

Please can you state whether you are in favour or not of this development going forward by completing the tear off slip below and returning it to the secretary, or alternatively responding via the Residents Association Web Site at: www.queenmaryspark.com via the Contact Us tab **before Saturday 17th August.**

Thank you for your co-operation.
